Burger Physical Therapy Is Moving Services in Fair Oaks.

Dear Patients, Physicians and Staff,

Please be advised **effective July 29, 2019** we are moving our Fair Oaks location to [6560 Greenback Lane, Citrus Heights, CA 95621](http://6560GreenbackLane.com).

In doing this we will be integrating our therapy delivery model, systems and services with Fuqua Physical Therapy a privately owned physical therapy provider serving the greater Sacramento area for over 30 years.

We have 14 additional locations in northern California that offer a wide range of outpatient rehab services including: sports medicine, certified hand therapy, orthopedics, neurological, balance training and fitness classes.

Please visit BurgerRehab.com for a list of locations.

Since 1978, Burger Rehabilitation & Physical Therapy has provided excellent clinical and client service. We provide, evaluative services and treat for a variety of orthopedic and neurological conditions by offering physical, occupational and speech therapy.

For more information please contact:

Eric Burger

Vice President of Administrative Services
